

Application for Business or Commercial Property Owner

Team Beverly Hills ("Team BH") is an interactive and educational program developed for residents and representatives from the business community that informs team members of their local government representatives, departments and programs; community associations; and current community issues. Team BH is designed to create an environment that nurtures and encourages leadership, participation and responsibility by the City's community. The vision of Team BH is to develop and maintain an informed, energetic and diversified resource for community involvement and leadership roles.

Developed in 1996, Team BH currently has over 750 Alumni members. As more people are educated through Team BH, the positive results will benefit the entire community as Alumni continue to seek out opportunities to participate and assist existing civic and community organizations and agencies. The long-term benefits will include an ever-expanding network and resource of community leaders, as well as assist in building a stronger bridge of mutual trust and respect between the community and its government.

Through an application process, 50 residents (30 selected by the City Council, 18 selected by a random lottery, and 2 selected by the Beverly Hills Unified School District) and 5 representatives from the City's business community (appointed by the City Council from the applications received) are selected for the Team. Team BH members meet on weekday evenings and actively participate in a variety of tours, presentations, and demonstrations. Highlights from previous programs include:

- ◆ Lectures by City officials and representatives, City Department Heads, and community and local business leaders
- ◆ Open dialogue with City officials, City representatives and community/business leaders in order to enable and offer participants an understanding of issues, opportunities and challenges facing the City
- ◆ Presentations and interactive demonstrations
- ◆ Walking and driving tours of City facilities and public/private sites
- ◆ Leadership and team-building training exercises
- ◆ Informal gatherings (for networking between Team members, City officials and representatives, and community/business leaders)
- ◆ Recognition and graduation event

Objectives

- ◆ To build a resource of involved community members for future commissions, committees, programs and projects for the benefit of the Beverly Hills community.
- ◆ To develop, nurture and utilize leadership potential within the community.
- ◆ To familiarize team members with all aspects of government, business, and service industries.
- ◆ To involve team members in community activities, projects and endeavors.

Due Date: July 15, 2022
